

**FinTech Venture Global Mobility Service receives  
"Mizuho Innovation Award 2018" out of two thousand Japanese venture companies**

Global Mobility Service, inc. (Headquarters: Minato-ku, Tokyo, President-director corporate executive officer/CEO: Tokushi Nakashima, hereinafter referred to as "GMS") would like to announce that it was selected out of two thousand domestic venture companies to receive the Mizuho Innovation Award 2018, which recognizes promising innovation companies sponsored by Mizuho Bank.

**【About Mizuho Bank "Mizuho Innovation Award"】**

With the advent of the era of IoT, Big Data, and AI, leading to the rapid progress of a fourth industrial revolution which challenges businesses and the way of society itself from its basis, many innovative companies in various fields have emerged one after another in recent years. Thereby, support for the growth of companies that are the carriers of these innovations from an early stage is gaining more importance.

The Mizuho Innovation Award was created in order to support the growth of these promising innovation companies that challenge innovative businesses. The companies are selected and commended for awards based on the level of business model, team ability, growth potential, etc. as the axis of evaluation.

As a Japanese global venture business specializing in the realm of Mobility x IoT x FinTech, GMS, under our philosophy, "We make people happy through the provision of mobility service," will create a mechanism whereby people who work hard are evaluated appropriately. We will continue our challenge to create opportunities for 2 billion people worldwide.

Please look forward to the future efforts of GMS.
